Dapper Dan is the man!

Dan is the foundation dog of Champagne Kennels, a breeding line started in 1970. Dan is sired from Ace, who was one of 17 VC sibling owned by the late San Diego NAVHDA president Jeff Derbes. PJ and Mark own Champagne Kennels which is NAVHDA registered kennel and an AKC "Bred with Heart" registered kennel.

Dan is an amazing dog despite a few roadblocks. He started out with a perfect Natural Ability test, but soon after was run over by a tractor so he wasn't able to do his UT test. Eventually he healed up and was ready to test, but then Mark had a series of health issues that have kept him sidelined for the past few years.

In addition to breeding high quality GSP's, PJ and Mark own Iron Mountain Outfitters in La Mesa. Iron Mountain is a supplier of high quality clothing and gear including Carhartt and Filson.

Iron Mountain graciously sponsors San Diego NAVHDA. Stop in when you can and check out their gear and say hi to Dapper Dan, Mark & PJ!
