Scout lives the good life!

Scout and her owners Matt & Allison split their time between Solana Beach and Whitefish MT. Lucky girl gets plenty of time at the beach, on the lake and up in the snow. In Montana, she chases deer, bear and elk.

Matt is from Wisconsin, so they go back frequently to hunt in addition to Montana, Idaho and California.

They train almost every weekend with Dave Awbry in Julian. Scout's buddy Hera (our last spotlight) is usually there with AI as well.

Scout is a natural in the field, and like most Vizslas, she is a total lap dog at all other times. She is either on you, or snuggled up next to you.

Looking forward to seeing Matt, Allison and Scout on the training field soon!
